The Solution

THREE™

Key Ingredients

Superfood Blend
Rich in chlorophyll, these powerful ingredients are extremely effective at binding to toxins and shuttling them out of the body.

Naturally Derived Vitamins and Minerals
Possesses superior absorption—and health benefits—over their synthetic counterparts.

Enzyme Blend
A combination of enzymes that break down the molecules in Vitalité into smaller and smaller pieces to increase cellular absorption and reveal the actual bioactive molecules.

72 Trace Minerals and Amino Acids
Trace minerals activate enzymes in the body like sliding a key into a lock. Amino acids provide the building blocks needed to make proteins.

Probiotics
100 million live, good bacteria from three different strains ensure the gut microbiome, or second brain, is healthy and vibrant.

Berry Blend
A blend of 10 different berries packed with phytonutrients that ensure the genes, or chemical switches in the body are functioning properly.

Omega-3 Complex Softgel
Contains omega-3 fatty acids in the same composition as a fresh salmon filet to support heart, brain, joint, and eye function.

Collagène
Get glowing with Collagène. This delicious blend of collagen and other powerful ingredients nourishes cells to keep your skin, hair, and nails vibrant and healthy.*
Supports healthy collagen, keratin, and elastin levels*
Aids in skin suppleness, pliability, and moisturization*
Supports healthy immune response and joints*

The Solution

THREE™

Key Ingredients

Marine Collagen
Five grams of marine collagen help give the skin a firm and glowing complexion. Collagéne is hydrolyzed and micronized for superior cellular absorption. Our collagen is from wild-caught fish obtained through a sustainable open ocean aquaculture process.

Keratin
Supports health of the skin, hair, and nails. Our keratin is in a hydrolyzed form that dramatically increases cellular absorption and bioavailability.

Hyaluronic Acid
Keeps the skin supple by preventing water loss. Also helps with elastin production.

Pomegranate Juice Concentrate
Pomegranate contains a class of phytonutrients called punicalagins that help turn collagen production in the cells back on.

Vitamin C
Included for its potent antioxidant properties and preventive effect on skin damage.

Biotin
A blend of 10 different berries packed with phytonutrients that ensure the genes, or chemical switches in the body, are functioning properly.

Éternel
Build your body's age-defying defenses. Éternel is an advanced blend of liposomal antioxidants and polyphenols that helps protect your body's cells and systems from the damage caused by free radicals.*

Key Ingredients

Resveratrol — 200mg
This powerful phytonutrient has been researched for decades, supports heart health, possesses strong antioxidant activity, and supports both longevity and cellular aging.

Glutathione
One of the most powerful antioxidants found in nature, glutathione is included to neutralize free radicals and reduce oxidative stress.

Marine Collagen
Supports overall skin health and provides a vibrant and glowing complexion.

Superfruits
A blend of 10 superfruits, including açai, pomegranate, mangosteen, and goji berry, that are packed with polyphenols and other phytonutrients that function as antioxidants in maintaining the aging process

Coenzyme Q10 (CoQ10)
A strong antioxidant that supports heart health and promotes mitochondrial function to provide natural energy.

The Solution

THREE

Key Ingredients

Curcumin, Boswellia, and Black Cumin Oil
These natural ingredients contain bioactive molecules that support the body's natural inflammatory response associated with exercise. They support healthy joints, ease muscle soreness and discomfort, and promote post-exercise recovery.

Quillaja Saponins Oil
The saponins in quillaja self-assemble to form a delivery vehicle called a micelle that dramatically increases cellular absorption.

Shiitake Mushroom Extract
Ergothionene and other molecules in this mushroom accelerate muscle recovery and support immune health.

Grape Seed Extract
Contains molecules called proanthocyanins that promote aerobic endurance, support healthy joints, and maintain immune health.

Sea Buckthorn Fruit Oil
Phytonutrients in sea buckthorn are known for their anti-fatigue properties to help you get through a workout.

Piperine and Menthol
Piperine from black pepper and menthol from peppermint oil are known as adjuvants and increase cellular absorp- tion of all the ingredients in Revíve.

Purifí
THREE
Get your daily detox. Purifí is an advanced blend of cleansing herbs and fulvic acid. It works at the cellular level to support the body's elimination organs and remove harmful toxins and pollutants.*

The Solution

Key Ingredients

Humic Shale Extract Powder
This ingredient is rich in fulvic acid, which complexes with heavy metals and other toxins to shuttle them out of the body. Fulvic acid also increases cellular absorption and promotes mitochondrial function to provide natural energy.

Coriander Leaf and Dandelion Root
Flavanols in coriander and apigenin in dandelion promote kidney and gallbladder function.

Kelp and Apple Pectin
Kelp and apple pectin support health of the colon and the gut microbiome by feeding good bacteria.

Chlorophyllin Capsule
Chlorophyllin is a water-soluble derivative of chlorophyll that efficiently binds to toxins and removes them from the body.

Liposomal Milk Thistle Extract and Burdock Root
Silymarin in milk thistle and arctiin in burdock are important phytonutrients that help cleanse and support the liver.

Mullein Leaf
Mullein maintains health of the lungs and respiratory system due to the presence of saponins and iridoid glycosides.

Stinging Nettle Leaf
The flavonoids in stinging nettle maintain health of the urinary system.

Imúne

The Solution

Key Ingredients

Quorum Sensing Support Blend

Liposomal quercetin, reishi mushroom, Agaricus blazei, nano silver, zinc, and vitamin C combine to inhibit quorum sensing, which is how bad bacteria communicate with each other and compromise immune health.

Innate Immunity Support Blend

Calcium, elderberry, lion's mane mushroom, vitamin D3, aloe vera, and vitamin E maintain the health and strength of the innate immune system.

Adaptive Immunity Support Blend

Aquamin TG, Cordyceps sinensis, maitake mushroom, vitamin A, trace minerals, and selenium support the adaptive immune system so the body can quickly recognize and neutralize threats.
